

THE UNIVERSITY OF  
**WESTERN  
AUSTRALIA**

## Informed Consent

For participation in the research study:

### *“Teamwork and Leadership”*

This project is being funded by a U.S. Army Research Institute grant, grant #W911NF-16-1-0545

**I agree to participate in this study. I understand that video and audio recordings will be made during this study and that my participation is voluntary. I understand that research teams from the partner universities at University of Maastricht and Texas Christian University will have access to the data files, including the video recordings. I also understand that I have the right to withdraw my consent at any time without needing to give a reason, if I experience any discomfort or distress.**

**The following points are clear to me:**

- All data that is collected by the researcher is treated completely confidential and cannot and will not be traced back to my identity.
- I understand and agree that the purpose and hypotheses of the current study cannot be revealed to me because it could bias my answers. However, after completion of the study I will receive a full debriefing.
- I agree to keep the procedures and explanation of this study to myself and will not pass this information on to others because this might negatively influence the study results.

I agree to participate in the study:

Name:

Date of Birth:

Signature:

Date:

---

The undersigned, responsible researcher, declares that the said person will be fully debriefed (in writing and, if desired, aurally) at the completion of the current study.

Name: Ramon Rico

Function: Assistant Professor
